Week #34

Dear Miles Chapel Church Family and Friends,

After 2 weeks of constant phone calls and text messages, we have finally reached the final day of early voting. I pray that everyone has taken the opportunity to either vote early or vote by mail. Look at the turnouts thus far, I am sure Tuesday's lines will be long and winding. We have done our part now we wait to see what God has to say. The truth is no matter who the winner of the election is, our nation is amid an uncertain future and there will be unrest either way. But know this; no matter the results of the election, our God is still in charge and reigns supreme.

Do not forget to make your voice heard by your vote. Early voting is still underway. While there has been some waiting involved, I assure you it was nothing compared to what we will see on November 3rd. Also, if you are mailing in your ballot, please remember to have it signed by a witness before sending it back or turning it in at a polling place. We need everyone to do their part and then God will do the rest.

Thank everyone for logging on to the final week of our virtual revival. Dr. John Faison, Sr. Blessed and encouraged us by letting us know, "It's going to be Alright!" What a comforting and encouraging message. Remember that faith is the currency that allows us to transact business with God and because of that we have confident faith. We have done what we could, God will do what we can't. Thank you for your support of our revival throughout October. We were blessed each week by a Word that helped us **REFUEL and FINISH STRONG!**

Sunday morning we will stream from the sanctuary to our normal platforms, The Miles Chapel Facebook page, the church website, YouTube, and on **www.FavorNetwork.net**. We will simultaneously broadcast on our Toll-Free Conference call line at **712-775-7031; 507755746#**. If you are within approximately .5 mile of the church, you can listen to the broadcast on **87.9 FM**. The trustees will be on-site to receive tithes and offerings from 8 am- 9 am. We continue to encourage you to give through the website, Givelify, or mail your donations in.

Don't forget that we gain an hour tonight as daylight saving time ends. Set your clocks back one hour before bedtime so you can be on time for Sunday School and our weekly broadcast.

Monitor the "noise" that you allow in your spirits between now and Tuesday. If you are like me, you have had your fill of campaign commercials, phone calls, and text messages. Don't allow the anxiety of society to suffocate your peace. Remember, **YOU** can still have joy... regardless.

John 16:33

33 These things I have spoken to you, that in **Me** you may have peace. In the world you will have tribulation; but be of good cheer, I have **overcome** the world."

“We will not be Broken!”
