

**TRIBUTE TO OUR
ASSOCIATE MINISTERS!**

I'm sure I voice the opinion of many when I say what a great job our Associate Ministers have done in Preaching the Word while our Pastor takes a break and in presenting Sunday School Online! We have enjoyed our ministers greatly. Keep up the good and faithful work and God will continue to Bless You!

HOW ABOUT THAT SUMMER SCHOOL?
Talk about a new twist! Summer School has been great! Pastor Robert L. Mason brought a great lesson from Deuteronomy 28, I believe he can sing too! Dr. Erika Hendrix brought a great lesson from Romans 8. Pastor Archie Smith brought a great lesson from 2 Kings 4. Dr. James Chapman took his lesson from 1 Samuel, first chapter. If you missed either of these lessons, you can still get on the Miles Chapel Facebook Page and view these presentations. Not on Facebook? You need to get on Facebook, you are missing a great deal!

The sun will come out tomorrow; it comes out every single day even when we can't see it.

You have the strength you need to get through this.

The light at the end of the tunnel is your life; it's the tunnel that's temporary.

GRADUATIONS

HIGH SCHOOL AND COLLEGE

We have two biological as well as spiritual sisters who had grandchildren to graduate from High School this year, and to whom Bibles were sent from the Miles Chapel Church Family.

(1) Kevin L. Campbell, who graduated from St. Johns High School in Johns Island, SC with a 4.48 GPA. He was president of his Senior Class and a member of the National Honor Society. He will attend Winthrop University in the fall. He is the son of Rev. Jackie Little and Kevin Campbell and grandson of Sis. Olivia Garner.

(2) Ameerah Gilmore graduated from Graham High School. Ameerah has entered the work force with plans to further her education next fall. She is the daughter of Monique Capel and Willie Gilmore and great granddaughter of Sis. Rosa Elaine Garner.

ERIC MAKANAAKUA ARRINGTON
(and Mom and Dad)

One of the greatest things that has happened to the Arrington family this year; not knowing the Coronavirus was going to hit the world, our son endured a class load of 19 credit hours just so he could graduate in four years. He graduated 10 May 2020. We had an impromptu graduation ceremony in our backyard. One opportunity missed was the National swim club championships that was going to be held in April. We will miss his determination in the pool.

A Prayer for Graduation

*Heavenly Father,
Give grace and courage to the ones who have worked hard
and now greet this special time of graduation.*

*We thank you for protecting and guiding them to this point.
All praise and glory to You!*

*Inspire the graduates to put to good use all the knowledge,
skills and life lessons gained through their education.*

*Most importantly, as they face unknown challenges moving
on, help them to keep dear the greatest wisdom of all
-that of knowing Jesus and the power of the Cross!*

*A chapter has closed and another eagerly awaits.
Pave their road with opportunities and inspire them to live
with hope in this incredible journey called life.*

*Continue to bless the graduates with love, protection,
mercy, strength and wisdom.*

*May they live passionately to honor and glorify Your name.
In Jesus' name, Amen.*

FROM MEMBERS TO MEMBERS

Let's Communicate

Miles Chapel, just wanted Y'all to know that I miss you and I pray that everyone is doing well. We miss seeing all of you in the sanctuary. We miss the friendly faces, smiles, hugs, kind words and conversations. Thank God that we can still get a needful Word from Pastor Torain via various forms of media. Even though I miss the choirs, I'm grateful for the music ministry that's taking place now. I'm so thankful to everyone who is working to bring the virtual services to us. My heart aches for the members and friends that have passed during this time. Know that my prayers continue for the families. Pray for us as we pray for you.

Greetings Miles Chapel Pastor, First Lady, Officers, Members, and Friends; I don't know when this pandemic will end; I miss the fellowship in the sanctuary we extended to each other from all who attended, Sisters and Brothers. The choirs with their beautiful melodies, the bass guitar, the keyboard and drums. We are now online or social distancing outdoors, each one in his own personal ride. I still enjoy such POWERFUL WORDS! Satan can't stop that, if you haven't heard; so just hang in there and keep trusting in God. He's bringing us through this test that seems so hard. It's a mystery that will soon be history. So give God the Glory while He rewrites the story.

Sister Frances C. Bradshaw

Hey MCBC Family! Let's keep the Faith and be encouraged! Keep Looking up!

Trustee Deanna Haith

Thank you for all the calls, cards, prayers and well wishes showered on me during my surgery and recovery! God is surely a prayer answering God! I look forward to seeing all of you again in the sanctuary!

Minister Betty Haith

"Heavenly Father, we thank you for protecting us while we slumbered through the night to wake up to see one more glorious day. We thank you for sending your Angels to watch over us in these tumultuous times. Forgive us our sins and may we continue to order our steps according to your master plan from birth until the time you call us home. Life is not always easy or happy days everyday. You will have your share of pain, heartache, tears, frustration and disappointment. Life flows in waves you will have your ups and downs. Sometimes you will lose your footing and fall down. When we fall down, we get up. We are conquerors! We will endure and never give up."
